FCP, Inc. has been serving the equine industry from its southern California base since 1982. With our design, engineering and manufacturing background, as well as a commitment to the highest standards of quality, performance and timely execution, FCP is well qualified to understand and serve the unique requirements of our clients.

Over the past thirty-eight years, FCP has established itself as a company that consistently provides first-class services. The experience and academic credentials of the FCP team provides technical expertise and innovative thinking to meet the needs of a rapidly changing industry, assuring our customers peace of mind when managing any scope of project; from the backyard barn to full scale equestrian facility developments.

With an investment of time and commitment FCP maintains a long-lasting business relationship with the following clients:

- Disneyland Resorts
- San Diego Zoo & Wild Animal Park
- Los Banos High School
- Sanger High School
- Living Desert Zoo
- Empire Polo & El Dorado Polo Clubs
