COMPANY PROFILE

FCP, Inc. has been serving the equine industry from its Southern California location since 1982. Based out of Wildomar, CA. FCP, Inc. began as a small custom pipe manufacturing company that has grown into a sprawling 120,000 sq. ft. manufacturing facility covering over 5 acres.

FCP, Inc. is a manufacturer of equine facilities and structures. Fabricated products include: custom and modular barns, open wall barns, pipe corrals, round pens, wash racks, hay storage, custom corral systems, covered round pens and covered arenas.

In addition, FCP also manufactures commercial metal buildings, commercial and industrial mezzanines, as well as boat docks and canopies.

We are CSLB licensed (#847398), bonded and insured. FCP is a San Bernardino County approved manufacturer per county Policy #275 and a Clark County approved fabricator ID# 332. FCP provides barn wall stress testing by an independent certified lab and provides welding certification per I.C.C. report number ESR-2937 and LADBS #FB01697 with welds inspected by a Registered Deputy Inspector for I.C.C certification.

At FCP, only the best quality materials are selected for your projects. We also offer the largest selection in barn wall options to suit a variety of specific needs and the most extensive product warranty in the industry.

With technical design teams on staff and experienced concrete and installation crews available, FCP offers turn-key solutions to your needs. The experience and academic credentials of the FCP team provide technical expertise and innovative thinking to meet the needs of the rapidly changing industry, assuring customers peace of mind to manage any scope of project; from the backyard barn to the full scale equestrian facility. Our knowledgeable staff offers the ability to manage projects from the ground up so you don't have to.

At FCP we invest a great deal of time and commitment in ensuring that each customer receives a superior product, unparalleled service, and ongoing customer support.

We invite you to discuss your needs with us. Please contact us if you have any questions regarding our company or our services.

Sincerely,
